Subject: WSHS Class of 1957 reunion Negley Park

Dear Borough Manager Foster,

Thank you for seeing me today in connection with my request that we honor our deceased veteran classmates at a reunion ceremony on September 28, 2022, at the pavilion we reserved at Negley. An honor guard is prepared to attend and the ceremony includes the firing of three blank rounds along with the playing of Taps, folding and presentation of the flag, and appropriate statements.

I recognize and respect the park rules pertaining to firearms which literally preclude the M-1 rifles from being possessed on park property. These rifles are equipped with blank fire adaptors and cannot fire a live round without modification.

I recognize the Borough has to consider many items in the adoption of any regulation and the purpose of this request is not to challenge the regulation, but rather to request that a waiver be issued with respect to this request. There are additional items I can add to support this request if the Council would honor me with allowing a personal appearance as soon as reasonably possible.

Be assured that whatever decision is rendered by the Borough will be final and will be carried no further.

Thank you for considering this request and I look forward to your reply.
