

Borough Manager's Report

December 2, 2021

- The proposed 2022 budget was advertised and is on display at the Borough Office and the Fredricksen Library. No tax increase is proposed. Final adoption is expected on December 16th.
- We have been working with Next Level to create a smooth hybrid meeting format (in-person/Zoom) for the public. The December 2nd meeting will be advertised to allow remote participation; we will continue to tweak the system going forward as needed to ensure everyone who wants to participate is able to do so.
- The Comprehensive Recreation Parks & Open Space (CRPOS) Study Committee's November meeting was canceled. The December 16th meeting will be conducted on the zoom platform. PASHEK is handling the logistics.
- I am finalizing the job description review project with Eckert Seamans and will be forwarding them to RKL to begin the compensation/benefits portion of the project. This work is funded in part through a DCED Strategic Management Planning Program grant. Work is expected to be completed in early 2022.
