**Subject:** Shade Tree Commission

The Shade Tree Commission had a successful booth at the Arbor Day Festival. We gave away three varieties of trees provided by Bartlett Tree Service as well as holding a raffle for a \$100 gift card to Highland Gardens as well as several perennials. In addition we raffled off various "Earth Day" related children's items. 67 adults put entries in for the gift card, and 36 children entered the children's raffle. Entries came from communities beyond Lemoyne such as New Cumberland, Camp Hill, Enola, Carlisle, Manchester, Fairview Township, Lower Allen Township, Harrisburg, York, Marysville, Mechanicsburg and Lewisberry.
