Dear Ms. Foster,

I am writing to let you know about my interest in the vacancy on Lemoyne Borough Council. I will attach a resume with this letter. The following is why I would make a good addition to the council.

I have been a Lemoyne resident for twenty-five years. I moved here when I was three and I've always considered Lemoyne home. No matter where my life has led me, I always come back. I love this town and would love to make it an even better place to live.

I currently have an Associate's degree in Psychology from Harrisburg Area Community College. I am currently working on a Bachelor's of Behavioral Health Science at Grand Canyon University. I work as an in-home caregiver for the elderly. I'll soon start as a Registered Behavioral Technician and help children with behavioral challenges.

During the summer of 2022, I helped a new independent party, Keystone, to petition for candidates to have ballot access. In one month alone I was able to get over 400 signatures for the party, and it was the first time I had ever petitioned. Even though I am new to the political game, I am driven and motivated to make my community free and fair for all.

I have many ideas on where Lemoyne could improve and truly become "the little town that has it all". Furthermore, I am excited to help my community become a safer and less restrictive place to live. I would like to make sure codes are up-to-date, constitutional, and that they do not inordinately restrict what someone does or does not do on their own private property.

I plan to live in Lemoyne for my entire. We have so much history here, and it's a great "hub" for the capital area. With a bit of work, I would be proud to forever call this little town home.

Sincerely,

A handwritten signature in black ink that reads "Sarah Dever". The script is fluid and cursive, with the first name "Sarah" and last name "Dever" clearly legible.
